

The Boys of 58

What keeps five young boys busy in a small dusty town all summer long? Follow Sonny and his four best friends through the Dog Days of an Oklahoma summer. Laugh out loud at the antics they get into and the trouble they get out of as they use their brains and God-given wits to figure it all out. Find out how the boys use a fainting goat in an ingenious way to get enough money to go to the state fair, and experience the ghost stories that are never much fun until they come true one night at the site of a double murder.
