

## Ibo

Adam Yahuma, an Ibo tribesman from the oil fields of the Niger Delta, has returned from the United States to fight for his homeland, now The Republic of Biafra. With him is new love, Nydia Kurtyka, a Red Cross volunteer from London. The world they entered is one of nightmarish horror where hundreds die of starvation daily, where bandits and rogue soldiers terrorize the countryside. Adam becomes an army hero, but as the situation worsens, his only desire is to end the war. In a final, desperate attempt to do so, he and Nydia are marked for immediate execution.
