

Feminized Sissy Justice, A Forced Feminization Sissy Story (Enforced Crossdressing Feminization Book 1)

When the Texas justice system institutes a new pilot program for carefully selected white-collar criminals, the result is the PANSY SCHEME Rehabilitation Project! These soft-crooks are enticed to participate in the new parole program in which they will serve a much reduced conviction sentence outside prison walls - but with a catch..... These very select parolees must sign away almost all of their civil rights and voluntarily undergo feminization treatment. They must endure living 24/7 as humiliated, often sexually harassed feminized cross dressing sissies. Each one is assigned a female Matron-Chaperone who serves as a live-in parole officer; she must be obeyed at all times or risk being put back in prison immediately while crossdressed. Officer Stikes is a tall, hard body dyke lesbian with a sadistic taste for bondage and domination. When she is assigned as a new Matron-Chaperone for a recent participant she throws herself into the project with fiendish glee! Stikes transforms her paroled volunteer into a sexily femmed, tart-whore looking sissy complete with fishnet stockings, wig, big fake boobs, high heels, tight mini-skirts and silky panties. With the temporary legally adopted femmed name, Miss Jenny Mixen, the feminized man quickly learns the program is more than he bargained for as he is forced into tight bondage restraints and wearing muzzling gags while enduring frequent riding crop whippings from Officer Stikes who has styled her independent authority as his Dominatrix. The femmed parolees problems are compounded by his frequent raging hard-ons down inside his smooth silk panties every time he is toyed with and man-handled! Resigned to his fate as Officer Stikes sissy bitch, he shamefully submits to her continuous cruel and kinky surprises, which get more humiliating and sexual each time. Most shockingly he learns he will have to work as a feminized

sissy girl for the very people he had formerly crookedly victimized. Now, the forced crossdressed parolee sees his justice served on the outside will feel much longer than he bargained for!
