

Getting Away With It

From the bestselling author of *Richard and Judy Book Club pick Dear Thing*, and *Where Love Lies*, a heartbreaking and uplifting read for anyone who's ever run away - and found their way back home...Liza Haven couldn't wait to escape the small village where she grew up with her perfect identical twin sister, Lee. Her life in LA as a stunt woman is reckless, fast and free - and that's just the way she likes it. But when a near-fatal mistake drives her home, she finds Lee gone and everyone in the village mistaking her for her twin sister. Liza has to deal with her ailing mother, the family ice cream business, and Lee's dangerously attractive boyfriend. Liza has always been the bad twin, but as she struggles to keep up the masquerade and puzzle out where her sister has gone, she realises it's not so simple. She's spent her whole life getting away with it - is it finally time to face up to who she really is and where she really belongs?
