

## The Rubaiyat of Omar Khayyam, Jr. Translated from the Original Bornese into English verse by Wallace Irwin.

The translator of this book, Wallace Irwin, also authored *The Love Sonnets of a Hoodlum*. The frontispiece illustration is of Omar, Jr. surrounded by wafts of smoke from his pipe - The title of the illustration is *I wear Tobacchanalian Wreaths of Smoke*. One of the verses is: *A grand piano underneath the bough, a gramophone, a Chinese gong, and Thou, trying to sing an anthem off the key, oh, paradise, were wilderness enow!* All examples indicate this book is a spoof of the original Rubaiyat! Amusing and humorous!
