

In Greek & Roman mythology, the three goddesses who control human destiny and life: The first (Clotho) spins the thread of life, the second (Lachesis) determines its length, and the third (Atropos) cuts it off. What forces come into play which decides where and when we are born, and what family we are born into? James Harding was born into wealth and lived his life accomplishing riches beyond anyone's imagination. Not until he is diagnosed with a terminal illness he realizes all the riches and possessions mean nothing; and generously make provisions to liquidate all that he has obtained with through his wealth.
