

What happens when a regular dude with an office job and a synthesizer band takes a bite to the neck and discovers that theres no glitter in becoming a vampire? Read Joe Vampire: The Whole Bloody Story and find out first-hand. As Joe himself says, Its not all satin capes and naked ladies...none of it is, actually. One naked lady would be nice. ***Joe Vampire (Book One): Hey, folks. I'm Joe, and I'm a vampire – not by choice, mind you, but by accident...a fate-twisting, fang-creating, blood lust-inducing misunderstanding. Maybe you can tell: I'm not real happy about it. But I'm certainly not going to let it get in the way of my life. ***The Afterlife (Book Two): So...yeah. Its me again. Americas most sarcastic vampire. Im back on the blog. A lot has happened since we last chatted - some good, some bad. All worthwhile, in the grand scheme.Im convinced that waiting for me somewhere on the other side of the Other Side is a real-life life, not just some artificially-sweetened half-life substitute. ***The New Paranormal (Book Three): What has two fangs, a houseful of domestic madness and a brand-new blog full of vampire blah-blah-blah? This guy right here. Twice around the web and five years of contemporary ghoulish antics just weren't enough for me. So I'm doing it all over again. (Joe Vampire: The Whole Bloody Story is a compilation of the first three stand-alone novels in the Joe Vampire Series. There has been no new content added.)
