

[Siren Allure: Erotic Consensual BDSM Romance, public exhibition, spanking, whipping, sex toys, HEA] Not wanting to corrupt Olivia, Cameron arranges for her to see him with another woman to push her away. Aroused but ultimately betrayed, Olivia moves on. Twelve years later, they reconnect, and Olivia harbors a secret. Cameron seduces and dominates her, but rather than waiting for her to come to him of her own accord, he betrays her burgeoning trust by ferreting out her secret. She casts him off. Olivia loses herself in work and releases her pain at Club Pleasure. Cameron is a member, unbeknownst to Olivia, but has retreated from the lifestyle. He accompanies his friend there nearly a year later, and when he sees her with one of the house Doms, he crumbles at the sight. Pleasures owner, Patrick, offers them both an innovative opportunity to retrieve and rebuild their relationship. No guarantees, but perhaps pride and betrayal will be overcome and love will carry the day. ** A Siren Erotic Romance
