Meet Sebastian, a confused up-and-coming writer who is not entirely sure where he falls but knows he is looking not only for his big break but also, his big love. Join Sebastian as well as Jake, the starving actor who yearns for true love; Bently, a sultry career driven young man whose only commitment is to his job; and Natalie, a fashion designer who is just trying to keep these guys afloat all while driving her own ship; as they navigate through life, love, and everything in-between.
