

Proactive Revision: Returning America to her true path

America has lost her way and is on a path to destruction. A mad man bent on warping the country to his ideals. A radical religious group gaining power thru terror, splitting the Union and reawakening civil war. These things and more must be stopped. This task falls on a small group of Soldiers and veterans. They are brought together in a last ditch effort by a desperate outsider. Led by an unlikely leader. The team has one unique feature that just might be enough to set the country back on her true path. Loyalty to each other and an overwhelming dedication to duty and accomplishment of the mission whatever the cost
