

One Dangerous Lady (Jo Slater)

From Jane Stanton Hitchcock, New York Times bestselling author of sophisticated thrillers *Trick of the Eye* and *Social Crimes*, comes *One Dangerous Lady*, a gripping mystery about a socialite's daring investigation into the disappearance of a wealthy art collector. While in Barbados for a lavish high-society wedding, Jo Slater once on the brink of social obscurity is back on top of her game. But when her old friend, Russell Cole, disappears, Jo is convinced he's the victim of foul play and that the perfectly manicured fingers of his latest wife, Carla, are all over the so-called accident. Back in Manhattan, Carla's stunningly fast rise up the social ladder adds fuel to Jo's suspicions. And when a mysterious figure from Jo's past returns and tries to bring her down, the Park Avenue set learns that, when crossed, she is one dangerous lady.
