

(WARNING! This Short Story contains EXPLICIT sex acts including multiple partners, multiple penetrations and many kinky sex acts. Please do not proceed if you are offended by XXX-rated porn-erotica.) The couple was having a drink at their local bar when a hot blonde latin women is attracted to the two them. They retreat to a dark booth and proceed to do shots off various body parts, in front of other people. A bartender sees the scene and is titillated and joins the party when it moves to a nearby apartment. The night heats up as the lights go down and one of the women reveals she has a big surprise. Sex is XXX, multiple partners, anal, blowjob and multiple penetrations. Erotica as only the Smith couple can write! Too hot for bookstores! Excerpt from Chapter 2: the bartender ...She then proceeded to salt the length of his massive cock, did her shot, and licked the length of it taking most of the salt, then squeezed her lime in her mouth. Without hesitation, she reinserted the entire length again but this time taking in his massive ball sack. Then in several fast, deep motions sucked and fucked his member in her mouth. The sensation of this amazing blowjob almost caused him to shoot his load as he was sure he was pumping mega volumes of pre-cum into her mouth. Just as he felt the impending release was imminent, she stopped, pulled out, leaving his rock hard cock pulsing as it thought the release was coming. She stood up and planted a full mouth kiss on the wife as a thank you. They swirled his pre-cum in both their mouths. Then as quick as she arrived, she turned around and headed back to the bar as if nothing had happened not saying a word.
