

A spy novel in the Ari Cohen Series - Book1, Part 2 - The Arrows of Islam: An Espionage Thriller

A renegade KGB faction recovers a shot down Stealth Bomber leading to an International Political Conspiracy. Assassin and secret Agent Ari Cohen, a plays-by-his-own-rules Mossad agent, must overcome betrayal of trust as he is pulled into a web of lies and intrigue involving Iran, Russian KGB and a secret society/fraternal brotherhood sworn to protect the United States for more than 200 years. Ari Cohen must now stop an attack that stretches across continents, governments and time. With the help of an ex-Navy SEAL turned Secret Service and the Secretary of State. Ari and his brotherhood of war will face the seemingly immortal guardians of the stolen technology, but will it be enough to protect the free world?
