

My Friends Mom: An Adult Romance Erotic Story by Melissa Hurst: Getting Deeper

It was almost 6 a.m. when Rita looked at her watch on the nightstand. She wasn't ready to get up yet, but she wanted to check her phone to see if there were any messages or maybe some important emails from clients overseas. Her head was still spinning around a bit from last night which was pretty crazy with Andre. Rita's pussy was even getting wet just thinking about it. She has lifted her right arm to reach the phone, but something held it back. It was dark in the room, but she knew there is something wrong. She tried to move her other arm too, but that did not work either. Her eyes got used to the dark room...and then, she realized that her arms and legs were all tied up to her fancy bed. She almost screamed, but before she opened her mouth, she felt a long and warm kiss on her neck. That was Andre; he was kissing her neck and cheek, caressing her back with his fingers. Andre, what the hell are you doing here? Rita wasn't angry, but she was surprised. Good morning, I wanted to leave your house last night but my car did not start up and I wanted to come back to ask you if I can stay over for the night, but when I have entered the house you, were already sleeping on the floor, as I had left you. Seriously?! Oh my God, I don't remember anything. I probably passed out from the hot sex and the booze. Rita felt ashamed a bit. It is okay, said Andre and there was something in his voice that calmed Rita down, and she did not feel ashamed anymore or at least a bit less than before. I brought you upstairs and put you in bed, and then I was sleeping downstairs on the couch. Then Andre kissed Rita's neck again, she felt goose bumps all over her body immediately. Thanks, Babe, for that, but why am I tied up? - You don't have to be a billionaire to afford this great short erotic story. This is the 2nd erotic/romance book in this series, check out what the author Melissa Hurst has to offer.
