

High-powered lawyer Asher Chatam has no time for love. Hes far too busy with his career. Then his eccentric aunts summon him to Chatam House on urgent business. And introduce him to Ellie Monroe. The beautiful young teacher needs his help, and one look at her violet eyes and sunny smile leads Asher to take the case. Ellies laid-back attitude is a breath of fresh air in Ashers smoggy world, and soon he realizes that man cannot live on work alone. And that even the most unlikely match can lead to true love.
