

The Dog Catcher

The acclaimed Barcelona Plates revealed Alexei Sayle as a writer with an outstanding ability to describe contemporary life in an unusual way. Now, in his new collection *The Dog Catcher*, he brilliantly captures the morals and absurdities of our so-called cool culture, populated by characters as recognizable as they are memorable. *The Dog Catcher* will confirm Alexei Sayle's reputation as not only one of the great exponents of the short story genre, but also as a profound commentator on the way we live now.
