

The Fall of Our Secrets

Laura and Nicole, childhood friends separated by mysterious circumstances, meet again quite by accident and renew their friendship. Laura is a devoted single mom. Shes stuck in a going nowhere relationship, but doesnt realize it until she meets Adam, her newly dubbed Airport Hottie, on the flight home after spending a whirlwind weekend with Nicole. Nicole is now married to the man of her dreams, but she carries deep wounds from a childhood filled with secrets, constantly afraid to trust any true happiness she encounters. Together these two best friends work toward uncovering the long buried secrets of Nicoles horrific past, ultimately freeing her to believe in and embrace the new life shes worked so hard to create. The friendship nurtures both women and Laura finds her own self confidence and the revelation that what she needs is within reach, hers for the taking. THE FALL OF OUR SECRETS takes the reader on a hopeful journey of love and discovery.
