

The Jellybeans are off to summer camp to enjoy ghost stories around the campfire, roasting marshmallows, and swimming in the lake. Each girl finds her own favorite activity: Emily goes to the dance studio, Bitsy does arts and crafts, and Anna reads about nature. But Nicole can't find anything that's just right for her. So she decides to start a soccer team and teach her friends her favorite game. Will the Jellybeans be able to win the big match against a neighboring camp? Once again, the girls use their different strengths and talents to work together and have the best summer ever. This third book in the successful New York Times bestselling series shows that, whether readers are girly girls, bookworms, artists, or tomboys, there is a Jellybean for everyone.
