

The Venice Adriana

Greek-American opera singer Adriana Grafanas is the most famous opera singer of her time and her scandals, temperament, and cancellations were the stuff of international headlines. Now, in her early 60s, her voice is in shreds and she is near retirement. Sent to Venice to pull together her autobiography, American Mark Trigger is drawn into the compelling world of Adriana and of Venice itself. Trying to uncover the truth about Adrianas life, Mark instead discovers his own passions--men and Adrianas music. Bold, sensual, and evocative of a forgotten time and place, The Venice Adriana is Ethan Mordden at his finest.
